The Undersigned individual(s), (hereinafter called the "Applicant"), acting in person applies for membership in and/or applies for electric service from Sequachee Valley Electric Cooperative (hereinafter called "Cooperative") and agrees to the following terms and conditions:

1. To purchase electric power and energy from the Cooperative as an end user and not for redistribution and as a condition agrees to be bound by and comply with the Articles of Incorporation, the Bylaws and all of the policies, rules, regulations, and rate schedules, as established at the date hereof or as adopted or amended from time to time hereafter.
2. Pay the amount of the currently established membership fee, if any, which may be retained by the Cooperative upon acceptance of the Application and admittance into membership of the Applicant.
3. Pay the required service and security fees and deposits, facilities extension deposits, and contributions in aid of construction required as a condition of service and which may be applied by the Cooperative in accordance with its policies, rules, and regulations.
4. Pay for such electric energy when billed according to the rate classifications and schedules as established by the Cooperative. Cooperative may limit the amount of electric energy furnished in accordance with its rules, regulation, policies, rate classification and rate schedule.
5. Cause the premises served to be wired in accordance with wiring specifications approved by the Cooperative and State of Tennessee.
6. Membership, if granted, and electric service provided to the Applicant hereunder may not be transferred, assigned, or conveyed.
7. Grants an easement to the Cooperative in accordance with Cooperative policies permitting its poles and lines and lines of its permites to be constructed on his/her/its property at locations determined by the Cooperative. Cooperative may cut, trim, treat by chemical means, or otherwise control or remove trees, shrubbery, brush or other vegetation on the property of the Applicant as may be necessary from time to time to insure adequate clearance of the transmission or distribution lines of the Cooperative. Keep such easement clear of all buildings, structures, or other obstruction and to allow Cooperative employees agents or contractors over, under and across applicant's property.
8. Provide Cooperative with access to all meter(s) on property. Applicant must not enclose meter(s) or block access to meter(s) with buildings, shrubbery, vehicles, fences, or other obstacles that would prohibit the Cooperative from accessing the meter(s).
9. Extension of service pursuant to this Application and the admission into membership in the Cooperative constitute a contract between the applicant and the Cooperative for electric service as herein provided. This contract shall continue in effect without limitation of duration until cancelled or terminated in accordance with the terms hereof or in accordance with the provisions of the Bylaws. Policies, rules and regulations of the Cooperative.
10. If this Application is submitted in electronic form in accordance with procedures established by the Cooperative, when electronically submitted and accepted by Cooperative, it shall have the same force and effect as if manually completed and signed by Applicant.
11. If this agreement is supplemented by a separate power contract that may be entered into between the Applicant and the Cooperative, it shall be deemed and integral part hereof.
12. It is understood and agreed to by the Applicant that no more than \$3.00 per year of the Cooperative's equity in accruing to him/her/it each year will be used for one year's subscription to the Tennessee Magazine.
13. By signing this membership application, Applicant is providing permission for the Cooperative to inquire into Applicant's credit based on the information supplied herein.
